Da. WHITTIER .- The eminent specialist physician, Dr. Whittier, took out his diploma early in 1848, at Toronto, and has been established in St. Louis for the last eighteen years, practising with unvarying snocese and astonishing results. His practice is so large that he employs two assistant physicians of skill and experience who carry out his celebrated mode of treatment. His office consists of a whole house of 4 O'Clock P. M. twelve rooms, so that each patient may receive a proper share of attention in a separate spartment, without even apparent haste. All persons see him, personally, in private. Dr. Whittier is now doing a business of from sixty to seventy-five thousand dollars. He exacts no fees unless a cure is effected. or the patient benefitted by his mode of which Dr. Whittier has been established in St. Louis he has been a regular advertiser, la many cases it is not personally necessary to see the Doctor, as he can treat the maority of sexual disorders as well by letter as personal consultation; also most people oan supply a better description of their ail ment on paper than by word of month Those suffering, or interested, should ad. street, St. Louis, Mo., and send for one of his pamphlets, Manhood and Womanhead, price 25 cents, which are admirably written treatises on physical morality and immorality, the subject being treated in the FISK'S SUCCESSOR ELECTED plateest English; any one can understand them fully, and cannot fail to be benefitted by the perusal.
